Recital (Sunday, June 10) _____

Number and Name of each routine in the Dress Rehearsal and Recital:

Tights Required: _____

Hair: _____

Make-up: _____

There are certain requirements that **all students** must meet in order for us to keep a high caliber of performance. The following requirements apply to Dress Rehearsal and Recital:

1. **NO FOOD, GUM, DRINKS, OR SMOKING** is permitted at any time in the Dressing Rooms and Auditorium. If your child is performing during a mealtime or will be there all day, you will need to provide a snack or sack lunch. Please do not allow your child to eat in their recital costumes.
2. **HAIR** – To be discussed on costume day.
HATS & HEADPIECES are to be secured well with several, not just 1 or 2 bobby pins. Be sure to “X” them on each side of the head so they will be secure. Please use neutral color hair pins ex: blonde hair light color bobby pins, brown hair, brown bobby pins.
3. **MAKE-UP** must be worn for Dress Rehearsal and Recital. It must be “stage make-up” (example – red lipstick, blush on cheeks, eye shadow, and mascara) in order for your child not to wash out under the theatrical lighting.
4. **COSTUME** – You will receive your costumes and all necessary accessories (except tights) on costume day. Please pin straps of costumes at the center top back of leotard (V-shape) with a large safety pin. Do not tie around neck. If accessories are included, please baste or pin them. No underpants are to be worn under any costume. NO eating or drinking in costumes other than water.

5. **TIGHTS** – If you do not already have these, they must be purchased by you. If you have not yet ordered or purchased your tights for recital, you may place your order with the studio office until May 7th.
6. **SHOES** – Tap Elastic must be in tap shoes and/or black tap ties double knotted. Ballet strings must be cut and tucked in

PLEASE WRITE YOUR CHILD'S NAME IN ALL COSTUMES, ACCESSORIES, AND SHOES!!

DRESS REHEARSAL

Your child must be brought to the Auditorium completely dressed in their first costume, make-up on, and hair fixed, ready to dance. It is a good idea to have a cover-up over their costume. They should report to their designated dressing rooms **30 minutes** prior to their first number. The times listed beside the Recital numbers, on the attached list, are the approximate times they will be performing. *Again, please be ready 30 minutes before the listed time.* Please bring safety pins, bobby pins, and their tote bag with their other dance shoes inside.

After you bring your child to the dressing room, students will remain in that room with assigned stage mothers. Only these stage mothers are allowed to remain. There is not enough room for *all* the children and their parents to remain backstage. Dancers will be lined up and brought backstage by our personnel when it is their time to perform. Our personnel will bring your child on stage for their performance. When they finish, your child will be taken back to their dressing room. You may then return to the dressing room to dress your child for the next number. Once your child is dressed, please remember only assigned stage mothers are to remain. If your child is modest, you might want to bring a sheet to cover her. Also, please be sure that young children go to the bathroom before all of the recital functions! Dads who are dressing their daughters will *not* be allowed in the dressing room, as these are all female dressing rooms. When your child finishes, please pick them up in their assigned dressing room along with their costumes and shoes. You are free to go at that time!

NO PARENTS ARE ALLOWED BACKSTAGE!!

At the Dress Rehearsal, students will learn when, where, and how to come on stage. It is **very important** and we cannot do without a dress rehearsal.

RECITAL

Please bring your child to their designated dressing room, **30 minutes** prior to their first number, **completely dressed and ready to perform**. The student may watch the recital up until the time they report to the dressing room as long as they have a cover up (ex: dad's button up shirt). Remember only assigned stage mothers are allowed to remain in the dressing rooms. Like the dress rehearsal, dancers will be dressed, and then lined up for their next number. After you pick up your child in their dressing room, you may return to the Auditorium to watch the remainder of the Recital, or you may leave.

You, the audience, are a valuable asset to our success. To allow everyone the opportunity to enjoy the performances, we ask that you, and all members of your party, comply with the following courtesies:

1. Open seating will begin no more than 30 minutes prior to curtain time. Security guards will be closely monitoring the seating capacity. They will not allow **anyone or anything (including tripod cameras)** to be sitting or standing in the aisles or the stairs. **PLEASE COOPERATE WITH THESE SEATING RESTRICTIONS.**
2. Young children are not allowed to run around or sit on the stairs near the stage. Also, please do not bring siblings into the dressing rooms. These areas are congested and hectic.

3. When you leave the auditorium, please do so after the number on the stage is finished and everyone is applauding. **Do not stand up and leave in the middle of someone's routine!! Also, try to use the same consideration while entering the auditorium while the recital is in progress.**
4. We *will* allow video cameras at the **DRESS REHEARSAL ONLY** in the back of the auditorium so no one's view will be obstructed. There are no restrictions regarding video cameras during Dress Rehearsal, except no one will be allowed to set up a video camera in any of the aisles during any time of the Dress Rehearsal. Cameras with flashes will not be allowed in the auditorium at any time. They are very distracting to the audience and dangerous for the students on stage. **There is NO photos or video allowed the Day of Recital**
5. **There will be NO photography allowed in the dressing rooms. NO exceptions. You may take photos in the halls or lobby only**

All the above requirements have been proven to be beneficial and workable through many years experience. They provide the best possible situation for all cast and crew. We ask that you to follow each one in fairness to all. Our goal is to present your child in the best possible atmosphere, on which they can enjoy and remember always. Our students are presented in a truly professional revue for all to enjoy. They will have the benefit of professional sound, stage, scenery, and props! We only want the best for our students and we are sure that is your wish as well!

CONGRATULATION BOUQUETS AND GIFTS

For your convenience, **Love Of Dance**, a florist and gift boutique will be at the Recital. Included in this packet is a price list of congratulation bouquets. There is no need to order ahead of time, since they will bring plenty of flowers and gifts.

RECITAL DVD

The entire Recital will be recorded and copies may be purchased from **Sharp Shooters** 512-436-8469, a professional video company. Attached is the sample DVD order form. We will be sending a link to pre-order DVDs when they send that to us. Orders will also be taken at the Dress Rehearsal and Recital in the lobby. The DVD will be mailed to you after the Recital in 5 to 6 weeks.

DANCE PORTRAITS

PS... Photography will be taking dance portraits again this year. The portraits will be taken in the studio on 3 different days. Photos will **ONLY** be done at the studio this year, **NOT one location/at dress rehearsal**. There will be a sign-up for portrait times at the front desk. If you have more than one costume, please sign up per costume. Sittings will be every 15 mins. It is recommended to arrive about 10-15 minutes earlier for a smoother process.

It is very important that you are aware that photos will ONLY be at the studio.

More information will be sent via email over the next few weeks. Be on the look out!
